

AGH COLLECTION & CURRICULUM CONNECTIONS (K to 12) – Virtual Mini-Tour and Worksheets

- **Talking About Art: Part of a Story** – Five key works from the AGH Collection will provide opportunities to explore the different parts of a narrative from beginning (setting and character), to middle (crisis and climax) and end, and why each part is important to storytelling and art.
- **Art & Math: Perspective and Space** – Using Alex Colville's iconic *Horse and Train*, students will discover the relationship between math and the illusion of space. Concepts include converging lines, single-point perspective, and the relationship between size and distance.

STORYTIME (K to 3) Join us for Storytime this week for **The Dot**. A blank page can sometimes be a bit overwhelming. Join us for Peter H. Reynolds's fabulous story of one girl's creative journey that started with one small dot.

STUDIOS WITH TYLER VAN HOLST (K to 8)

Tyler Makes: Drawing Buildings – In this workshop for younger artists, Tyler Van Holst will show you how to draw buildings! Together we will draw buildings of all different types, sizes, and shapes. We will practice how to draw them near and how to draw them far away!

Online Workshop: Three Page Comic Books – With storytelling in mind, Tyler Van Holst demonstrates how to create a three-page comic book with an exciting story and characters!

ONLINE ARTIST LED PROJECTS – This week's highlights:

Water Colour Exploration: Express Yourself with Visual Artist Nancy Benoy Using watercolour (or any paints on hand) students will gain an understanding of how much of a role emotion plays in artmaking as they create paintings based on feelings, inspired by poetry or short stories. We will also take a look at historical artists and how they conveyed emotion.

AGH FILM CHALLENGE (Gr. 4 to 12)

The AGH Film Festival's annual Youth Film Challenge is accepting short films from aspiring filmmakers of all ages. Making a movie with a phone or Ipad is very easy, and is a productive use of screen time that engages literacy in developing story telling skills. Our artist-educators can help through our Online projects. Discover how your students can get involved!
