What NOT to Bring

- Please don't bring anything moldy, dirty, super heavy, or in need of repair. We love the old, cool, vintage stuff, but if it isn't functional, please leave it at home. This swap is not for antiques or collectables, it's about usable crafting and art making materials and supplies.
- No furniture
- We also ask that you leave the hazardous materials in your garage, including oil-based solvents, house paint, dry paint tubes, oversized or extremely heavy items, etc.
- If it cannot be used immediately and without repair as a crafting material, supply, or tool, please don't bring it.

Note:

- You do not have to make a donation to attend.
- All items are free with admission
- Please note - This is solely a swap and charity fundraiser. Please don't bring crafting supply products to sell.

- If you can buy it at Curries or Michael's, chances are it's a good fit.
